

— OUR VALUES —

NON VIOLENT RESISTANCE

We strive to make our language and imagery unmistakably non-aggressive. We discourage depictions of fire, blood, etc. Our work is rooted in constitutional rights and peaceful civic action.

Every American is coming to the table with different knowledge, skills, abilities, and capacities. We strive to make 50501 an inclusive environment where everyone feels valued, respected, and empowered to contribute.

INCLUSIVITY & ACCESSIBILITY

DE-ESCALATION & CONFLICT RESOLUTION

We are committed to fostering peaceful conflict resolution by encouraging open dialogue with mediation, and by encouraging empathy and grace in all communications. This is accomplished by our Conflict Resolution volunteers online and Safety Team volunteers at in-person events.

— GET INVOLVED! —

We are always looking for motivated individuals to join our teams!

— THE PEOPLE'S MOVEMENT —

WHO ARE WE?

**WHAT DO WE
STAND FOR?**

**WHAT DOES
IT ALL MEAN?**

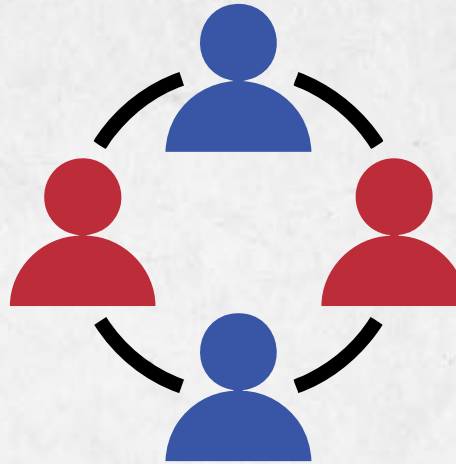

50 STATES. 50 PROTESTS. 1 MOVEMENT.

What began as a single day of protest across all 50 states has transformed into a coordinated, decentralized, nation-wide movement.

50501 is made up of ordinary every-day Americans who stand against the authoritarian actions of the Trump Administration in the name of democracy and freedom.

We are not paid or otherwise coerced into action. We are driven to act out of our own sense of what is right: decency, democracy, and civil liberty for all people.

ORGANIZATION

50501 is entirely a grassroots organization - we are not backed by any politicians, political parties, or wealthy donors. Most of our work is done by volunteers at the state and local level, who organize, advertise, and handle logistics on their own.

National coordination between different 50501 groups allows us to establish cohesive messaging, decide days of action, and share resources.

We are decentralized, meaning there is no one “leader” of 50501.

OUR MISSION

Since taking office in 2025, the Trump Administration has continued to attack our civil liberties, take illegal and unconstitutional actions, and gut the public services we pay for with our taxes.

WE CALL ON OUR GOVERNMENT TO:

- ★ Uphold the Constitution.
- ★ End Executive overreach.
- ★ Protect democracy.
